IMPORTANT SAFETY INSTRUCTIONS

When using electric products, basic precautions should always be followed including the following:

READ AND FOLLOW ALL SAFETY INSTRUCTIONS

a) Do not use seasonal products outdoors unless marked suitable for outdoor and indoor use. When products are used in outdoor applications, connect the product to a Ground Fault Circuit Interrupting (GFCI) outlet. If one is not provided, contact a qualified electrician for proper installation.

b) Do not use a product with a damaged cord or plug. Replace it immediately.

c) Do not put or place near gas or electric heater, fireplaces, candles or other similar sources of heat.

Important:

- Risk of fire.
- Do not unplug by pulling cord.
- Never pull the cord to remove plug from outlet. Always grasp the plug and remove from the receptacle.

- Risk of electric shock.
- Do not touch with wet hands.
- Do not connect to a GFCI outlet.

- Risk of overheating.
- Replace burned out lamps promptly. Use 2.5 Volt, .425 Watt lamps only.

1. To reduce the risk of fire and electric shock:
   a) Do not install on trees having needles, leaves or branch coverings of metal.
   b) Do not unplug by pulling cord.
   c) Do not place lighting string on carpeting, drapes, furniture, or allow it to contact vinyl siding.
   d) Do not place lighting string in locations where they may be subject to damage.

2. To reduce the risk of overheating, replace burned out lamps promptly. Use 2.5 Volt, .425 Watt lamps only.

3. To reduce the risk of fire and electric shock:
   a) Do not install on trees having needles, leaves or branch coverings of metal.
   b) Do not unplug by pulling cord.
   c) Do not place lighting string on carpeting, drapes, furniture, or allow it to contact vinyl siding.
   d) Do not place lighting string in locations where they may be subject to damage.

4. To reduce the risk of fire and electric shock:
   a) Do not install on trees having needles, leaves or branch coverings of metal.
   b) Do not unplug by pulling cord.
   c) Do not place lighting string on carpeting, drapes, furniture, or allow it to contact vinyl siding.
   d) Do not place lighting string in locations where they may be subject to damage.

5. To reduce the risk of fire and electric shock:
   a) Do not install on trees having needles, leaves or branch coverings of metal.
   b) Do not unplug by pulling cord.
   c) Do not place lighting string on carpeting, drapes, furniture, or allow it to contact vinyl siding.
   d) Do not place lighting string in locations where they may be subject to damage.

6. To reduce the risk of fire and electric shock:
   a) Do not install on trees having needles, leaves or branch coverings of metal.
   b) Do not unplug by pulling cord.
   c) Do not place lighting string on carpeting, drapes, furniture, or allow it to contact vinyl siding.
   d) Do not place lighting string in locations where they may be subject to damage.

CAUTION:

- Do not use outdoors unless marked suitable for indoor and outdoor use.
- When using outdoor products, use only in dry locations.
- Do not use on live trees.
- Do not use near water.
- Do not use near roofs or chimneys.
- Do not use in the rain.
- Do not use near salt water.
- Do not use near fireplaces.
- Do not use near candles.
- Do not use near hot surfaces.
- Do not use near refrigerators.
- Do not use near air conditioners.
- Do not use near fans.
- Do not use near aquariums.
- Do not use near televisions.
- Do not use near radios.
- Do not use near telephones.
- Do not use near computers.
- Do not use near copiers.
- Do not use near printers.
- Do not use near fax machines.
- Do not use near typewriters.
- Do not use near calculators.
- Do not use near tape recorders.
- Do not use near camcorders.
- Do not use near video recorders.
- Do not use near audio recorders.
- Do not use near stereo systems.
- Do not use near speakers.
- Do not use near televisions.
- Do not use near radios.
- Do not use near telephones.
- Do not use near computers.
- Do not use near copy machines.
- Do not use near printers.
- Do not use near fax machines.
- Do not use near calculators.
- Do not use near tape recorders.
- Do not use near camcorders.
- Do not use near video recorders.
- Do not use near audio recorders.
- Do not use near stereo systems.
- Do not use near speakers.
