

GE Stay Bright Metal Ball

Item No. 81901LO / 81902LO / 81903LO

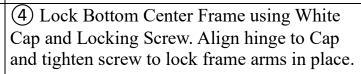

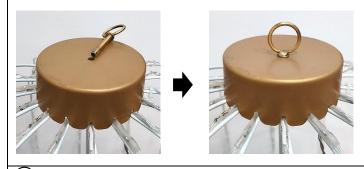

(3) Lock Top Center Frame using Gold Cap and Hanging Loop Screw. Tighten screw to secure frame arms in place.

(5) Check if the adapter is attached properly before Plugging to a GFCI outlet.

Tip: Check if the set lights up before hanging or decorating.

(6) To secure Metal Ball to the ground when decorating lawn, insert Ground stakes to the three bottom "O" rings provided.
